Assignment 15

*I Should Share God's Word*

Acts 22:15

For thou shalt be his witness unto all men of what thou hast seen and heard.

Romans 1:16a

For I am not ashamed of the gospel of Christ: for it is the power of God unto salvation to every one that believeth.

1 Peter 3:15b

Be ready always to give an answer to every man that asketh you a reason of the hope that is in you with meekness and fear:

**BONUS VERSE:**

Proverbs 11:30

The fruit of the righteous is a tree of life; and he that winneth souls is wise.

Rules of the Memory Course

1. Memorize each assignment in the order given.
2. Memorize the assignment heading with each assignment.
3. Memorize the Bible references (the locations of the verses in the Bible) with each verse or group of verses.
4. Memorize the verses as they are printed. Do not add, change or leave out any words.
5. You are expected to memorize the assignment during the first part of the week and to use the rest of the week for review. If you wait until the end of the week to memorize, you will forget the verse too quickly, and this is not considered satisfactory work.
6. We suggest that you recite Saturday morning. If you cannot recite at this time, another time during the week may be agreed upon, but you should recite at the same time each week throughout the memory course.
7. You must recite an entire assignment at one time, not just part of an assignment.
8. You are permitted to recite more than one assignment on the first recitation day, but after that, you may recite only one assignment a week, as you need to spend a full week on each assignment.
9. You should memorize well so that you do not need to be prompted in your recitation. It is a poor recitation if you have to be prompted more than four times. When this happens you should realize that you will need to spend more time learning your other assignments.
10. If you do not learn your assignments, your supervisor will have to disqualify you from the memory course. In case of emergency you should explain your problem to your supervisor.

11. If you drop behind a one week, continue behind. Do not try to catch up by trying to learn two assignments in one week.

Where there are parts of a verse which are particularly difficult to learn, or which do not relate to the subject being studied in the assignment, we have not used the entire verse.

Bonus verses are not required, but some boys and girls like to do more, just to please the Lord.
